

## REMARKS

This is a supplementary response to Final Office Action of November 27, 2006 and Advisory Action of February 1, 2007. By this supplementary response, Applicant resubmits claims 10-17 which were cancelled in the previous Response to Final Office Action filed January 23, 2007. Since the claims have been previously cancelled, they have been renumbered as claims 23-29 but otherwise read the same as the previously pending claim numbers 10-17 with the exception of the deletion of claim 12 to avoid exceeding the 20 claim limit.

The reason for the resubmission is to present all the issues clearly on appeal. The claims were previously cancelled in an attempt to put the case in a form for allowance. However, the Examiner, while withdrawing the rejections under 35 USC §112, has maintained all the rejections under 35 USC §101. Therefore, these claims are resubmitted so that all the issues in the case may be presented for consideration under appeal.

Respectfully submitted,

---
